

NEXT GEN

SHELBY CARBON FIBER COBRA

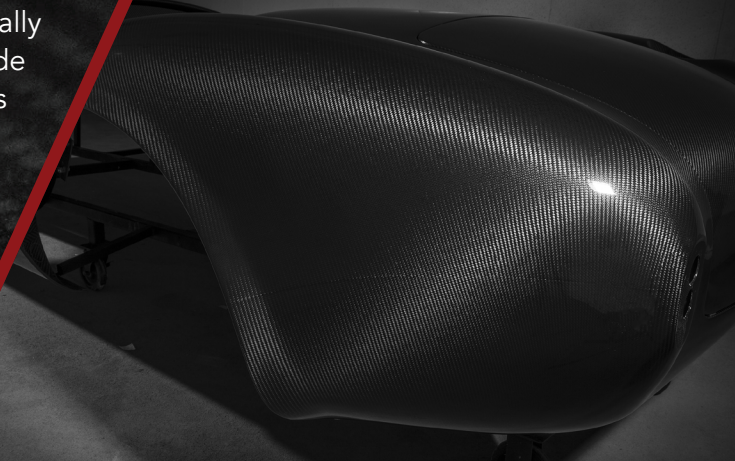

RACE CAR

OFFICIALLY LICENSED CSX SHELBY COBRA RACE CAR - ONLY 10 BEING PRODUCED

Classic Recreations has reengineered and remastered a officially licensed Shelby Cobra Carbon Fiber Race Car. The body is made entirely of prepreg autoclave cured carbon fiber and weighs an impressive **88** pounds. Dubbed the "**Diamond Edition**" in honor of Shelby American's 60th anniversary, the vehicle is a force to be reckoned with on the race track. Granted a unique CSX license number in the 4000 series, each "Diamond Edition" vehicle will feature a one-of-a-kind diamond encrusted badge and have Carroll Shelby's commemorative signature on the dashboard. The starting price for the Shelby Carbon Fiber Cobra Race Car is \$1,200,000 USD.
